BACKGROUND ON MAX IMPACT:

Through national tours, local performances, recordings and deployments, Max Impact showcases Air Force excellence to millions each year. Between public performances, they are often called on to support events for the White House, State Department, Department of Defense and numerous other high-level military and civilian functions.

In addition to entertaining military and civilian audiences in the United States, Max Impact thrills service members with its trademark high-intensity, hard-rocking music at forward deployed locations. These performances are a much-needed "taste of home" for deployed service members. At home or abroad, their high-energy performances enhance troop morale, build partnerships with local and foreign communities, increase recruiting and retention efforts and inspire patriotism using effective and powerful music.

As part of The U.S. Air Force Band, these Airmen musicians honor those who have served, inspire American citizens to heightened patriotism and service, and positively impact the global community on behalf of the U.S. Air Force and the United States of America. The excellence demonstrated by these Airmen musicians is a reflection of the excellence carried out by Airmen stationed around the globe.
